### ALUMNI FEEDBACK ANALYSIS (2020-21)

Despite the college's short existence of only fifteen years, its alumni can be found in a wide range of professions, including social, political, entertainment, and business.

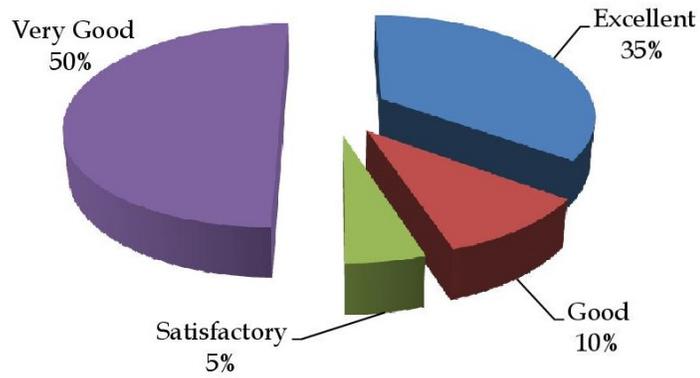

The alumni comments led to the conclusion that follows. The majority of alumni (30%) thought the activities planned for students' general development were exceptional, 50% thought they were very good, and 20% thought they were decent. Thirty five percent of respondents regarded the handling of student complaints as exceptional, 45% as very good, and 15% as good.

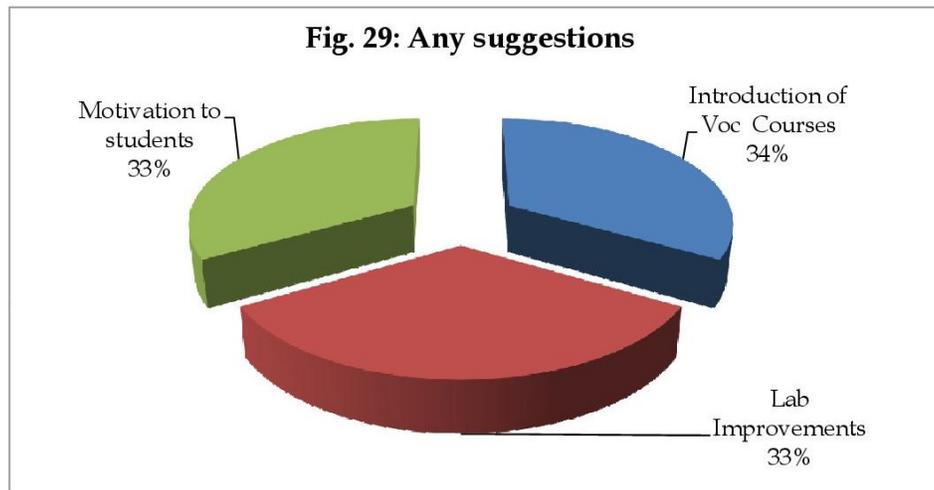

**Fig. 27: Any improvements in the teachin-learning process of college?**

**Fig. 28: What is your vision for the college?**

They express their gratitude to the college for the faculty's efforts and dedication. They acknowledge that the college had a significant impact on how they lived their personal, professional, and ethical lives. They acknowledge that their affiliation with the college not only allowed them to earn degrees but also assisted them in developing as people, instilling human values in them and enhancing every aspect of their lives. They proudly acknowledge that the college helped them develop their communication skills, leadership abilities, social commitment, and responsibilities, and that it was only because of the college that they became social and formed lifelong relationships. Confidence was developed through college programmes, and teachers encouraged students to participate in these programmes. They acknowledge that the institution gave them those wings so they could soar high and achieve their objectives. They attribute their current state in life to the college.

**Best experience and remarkable memory:** They recall the welcoming professors and cozy setting of the college. They long for the activities, athletics, and college days. They remember how friendly the relationships were between students and teachers.

**Suggestions:** The examination of the opinions of graduates led to the following recommendations.

- Greater participation of alumni in college events
- Enhancements to the canteen
- There should be WiFi available on campus.
- More transportation facility for students

## **ACTION TAKEN REPORT**

- The college has taken sets to enhance participation of alumni in college activities and events.
- The college contemplating to avail assistance of alumni in annual gathering.
- Process for Canteen facility initiated.
- The college has started bus service for students residing in far off places.
- The college has initiated the process of providing Wi-Fi connectivity in the campus.
