GOVT DEGREE COLLEGE BASOHLI

Significant Contributions of IQAC in 2020-21

1. Setting up of large LED panels in place of traditional white marker boards in the class-rooms of the college.

IQAC has taken the lead role in installing the large LED panels in place of traditional marker boards in six class rooms of the college with uninterrupted supply of electricity.

2. Setting up of a Browsing centre in the college with a seating capacity of 20 persons with uninterrupted power supply and high speed internet connectivity:

The covid-19 pandemic has transformed the education system over the globe by giving impetus to online learning. IQAC has set up a browsing centre in the college with high speed internet facility and seating capacity of 20 students and faculty of the institution.

3. Setting up of a Mass-Communication cum Multimedia Lab and Music & Fine Arts Lab in the college:

To transform the teaching-learning environment of the college IQAC was instrumental in setting up one Mass-communication cum Multimedia Lab and one Music & Fine Arts Lab in the college:

4. Up-gradation of four Laboratories with large LED Panels in the college.

In order to upgrade and improve the existing infrastructure of the college particularly class-rooms and laboratories four science labs were equipped with large LED panels for the better delivery of knowledge to the taught.

5. Up-gradation of Smart Class-room with a large LED Panel in the college.

IQAC was successful in the upgradation of the physical infrastructure of the college smart-room by installing a large LED with uninterrupted supply of electricity, better seating arrangement for both the students and faculty.

6. Enhancement in the physical infrastructure of Library.

IQAC was instrumental in getting additional infrastructure for library such as computers, almirah, book case, books, periodicals, journals, new reading tables, newspaper stands and new seating arrangements for the students and faculty.

7. National Seminars for students and faculty:

IQAC was instrumental in the conduct of National Seminars and other similar activities for the benefit of faculty and students of college.

8. Enhancement in the physical infrastructure of Games & Sports Facility.

IQAC has played a lead role in significantly enhancing the physical infrastructure in sports for the students of the college as a result students are now getting better training facilities by the Physical Instructor to take part and excel in such activities at state level.

9. Setting up of one new class-room in the college.

IQAC and College Development Committee have successfully added one new class-room in the college with a seating capacity of 40 students adjoining to the Browsing Centre.

10. Containment of Covid-19 Infections in the institution.

IQAC, College Discipline Committee, College NSS & NCC units have put regular untiring efforts in collaboration with Management of the Sub-district Hospital Basohli to adhere to the Covid-19 SOPs to check the spread of infection and vaccination of faculty and students throughout the session 2020-21.
